

Remarks/Arguments:

This is a reply to the office action of April 13, in which claims 2, 9, 11 and 12 were objected to but indicated to contain allowable matter.

We have rewritten claims 2, 9 and 12 each in independent form, so as to include the subject matter of all parent claims. Claims 1, 3, 4, 6 and 13 - 16 have been canceled. The remaining claims each depend from one of claims 2, 9 or 12.

Typographical errors noted by the examiner are corrected in the amended claims.

We believe that the claims as amended are patentable over the prior art and that this application is now in condition for allowance.

Respectfully submitted,

Charles W. Fallow
